This Event is intended to be a Fun, Safe, Family Oriented Event, and every effort will be made to keep it that way. Participants who come are expected to help make it so; be courteous, be helpful! Participants displaying intoxication or "under the influence" behavior of any substance, will be asked to leave the Event.

The camping is on the grassy grounds of a museum, located within Fullbright Park at 4508 Main Street, Union Gap (Yakima), WA 98903 (see map). Camping is dry camping with potable water, port-a-pots, and RV dump; there are no showers & campfires are not allowed. Limited electricity is available for emergency situations only. Campers using generators, will be parked where the noise does not interfere with event activities. Pets are allowed on the grounds, but must be on leashes. Please clean up after them.

At the entrance of Fullbright Park, follow PlayTheGap signs for about 3/4 of a mile. Eventually, a Camp Host sign will appear; stop at the trailer where you see the second Camp Host sign. They will assist in locating a camping spot for you.
